Advancing More Than One Team from Tournament Bracket - After the completion of a double elimination bracket if any two teams are tied, with the same won-loss record, the head-to-head tie-breaker will be used if the tied teams played each other during the tournament. If the head-to-head tie-breaker does not break the tie or if the two tied teams did not play each other during the tournament there must be a one game playoff to determine which team advances to the next level of play. No other tie-breakers may be used in double elimination brackets.
